### Drone & Swift Water Rescue Trailer

Volunteers are in the process of building cabinets and equipping the new drone & swift water operations trailer for service. When fully equipped this unit will become a lifesaving asset on wheels. The unit will be equipped with radios capable of communicating with other search and rescue units, providing for live drone viewing of rescue operations in process and then have trained personnel to implement rescue efforts.

Two times this year our drone has been called upon and both times pilot, Brandon Ramsey, was successful in locating missing children.

God has truly blessed and to Him goes all Glory, Honor and Praise.

Backpacks filled with toys, clothing articles, hygiene items and food are needed to give to children in TN as Christmas gifts.

Children receive more than backpacks filled with needed supplies. Last year more than 5,800 backpacks from individuals from almost 200 churches were received. The need is great as there are already requests for 7,000 backpacks for this year.

All backpacks given by Tennessee churches will be given to children in TN. Each child will hear the Christmas story and the gospel.

Churches should register their intention to donate Christmas Backpacks at [www.tnbaptist.org/backpacks](http://www.tnbaptist.org/backpacks). The website has answers to most of your questions, but if you need further assistance, call Beth Moore at 423-440-6225.

**Backpack collection and drop off will be at God's Warehouse in late October.**
