Jonesborough Flood Recovery

Dale Moles led a Flood Recovery Team to Jonesborough, and wow did they get a lot of work accomplished! Dale has several loads of rip-raft and stone being delivered to fill in behind the huge concrete blocks they will set to divert the water when the next flood comes. The blocks are shown in the photo sitting on the 18 wheeler. Each block weighs in at more than 4,000 pounds each (2 tons).

Ukraine Container #8

With the assistance of Dr. Vova Gorbenko, Container #8 was loaded with medical supplies, including hospital beds, and headed to Zaporizhzhia. Financial donations are being accepted at the Nolachucky Association for another container of aid.

God's Warehouse recently acquired a number of mattresses from Eglin AFB. The 200 mattresses are in good condition and will be a blessing to many people.
