Disaster Relief was called on to transport 3 loads of hay from KY to TX to feed the cattle. Their fields were lost in the recent fires. That is a lot of hay but with over a million acres of ground burned it's going to take a lot of hay to keep the cattle fed until grass begins to grow. Ronnie Loggans and Dale Moles helped with this transport.

Do you know a high school student with a passion for missions?

We would LOVE to have them be a part of the Venture Team! We are looking for six to eight top-level missional students from across the state for the 2024-2025 Tennessee Youth Venture Team.

Students will be challenged, disciplined and mentored in a strategic missions lifestyle through a team retreat (July 26-27, 2024 at Carson Springs), Bible studies and mission learning experiences, as well as training/equipping opportunities with mission leaders and missionaries. There will also be an opportunity to join a mission trip during 2025. **Applications are due by May 15, 2024.** For more information and to apply, [click here](#).
